CHANGING TIME FRAME (COURTS 5 & 6) INSTRUCTIONS

(see Blue Screen Shot Below)

About the middle on the left see:

"Duration"

On the right "90 mins" then see the arrow down ↓

That opens to a drop down menu that gives you, your choices of 30- 60- 90 minutes.

The default is 90, unless you want a shorter time frame just press RESERVE and you're done.

As you can see in this screen shot.

So once you poke on the time you will automatically get 90 minutes. It will only do 30 or 60 minutes if you use the drop down box.
